

Water Street Town Plan Committee
Tuesday, June 14 at 6:00 PM
Location: Water Street Town Land

1. Review property maps and confirm boundaries
2. Walk the land, identify (tag?) invasive species
3. Under Landscape Architect Erica Bowman's guidance, develop a phased land management plan, allowing anyone with opposing views to voice their concerns and opinions
4. Discuss any desires, ideas, and discoveries based on research
5. Discuss next steps
